# Iniciar sessió

The screenshot shows the Tinkercad homepage with a blue header. On the right side of the header, there is a 'Centro educativo' button. Below the header, there is a navigation bar with links: Tinker, Galería, Aprendizaje, Profesores, Recursos, Iniciar sesión (which is highlighted with a red oval), and Registrarse. The main content area features a large banner with the text 'Todo lo que necesitas es un 'qué tal si...'' and an image of a colorful 3D printed propeller. Below the banner, there is a video player showing two people working at a desk with a 3D printer in the background. A blue button labeled 'Reproducir vídeo' is visible. At the bottom of the page, there are Creative Commons license icons (CC BY NC SA) and a footer note.

The screenshot shows the 'Bienvenido de nuevo' (Welcome back) screen. It includes a question '¿Cómo se usa Tinkercad?' (How do you use Tinkercad?), a section titled 'En la escuela' (In school) with a 'Educadores' (Educators) button, and a section titled 'Por tu cuenta' (For your account) with a 'Cuentas personales' (Personal accounts) button. There is also a green button labeled 'Estudiantes con código de clase' (Students with class code) which is circled in red. At the bottom, there is a message '¿Aún no tienes una cuenta?' (Don't you have an account?) and a 'Unirse a Tinkercad' (Join Tinkercad) button.

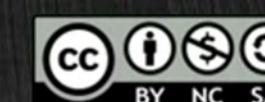

# Iniciar sessió

# Tinkercad

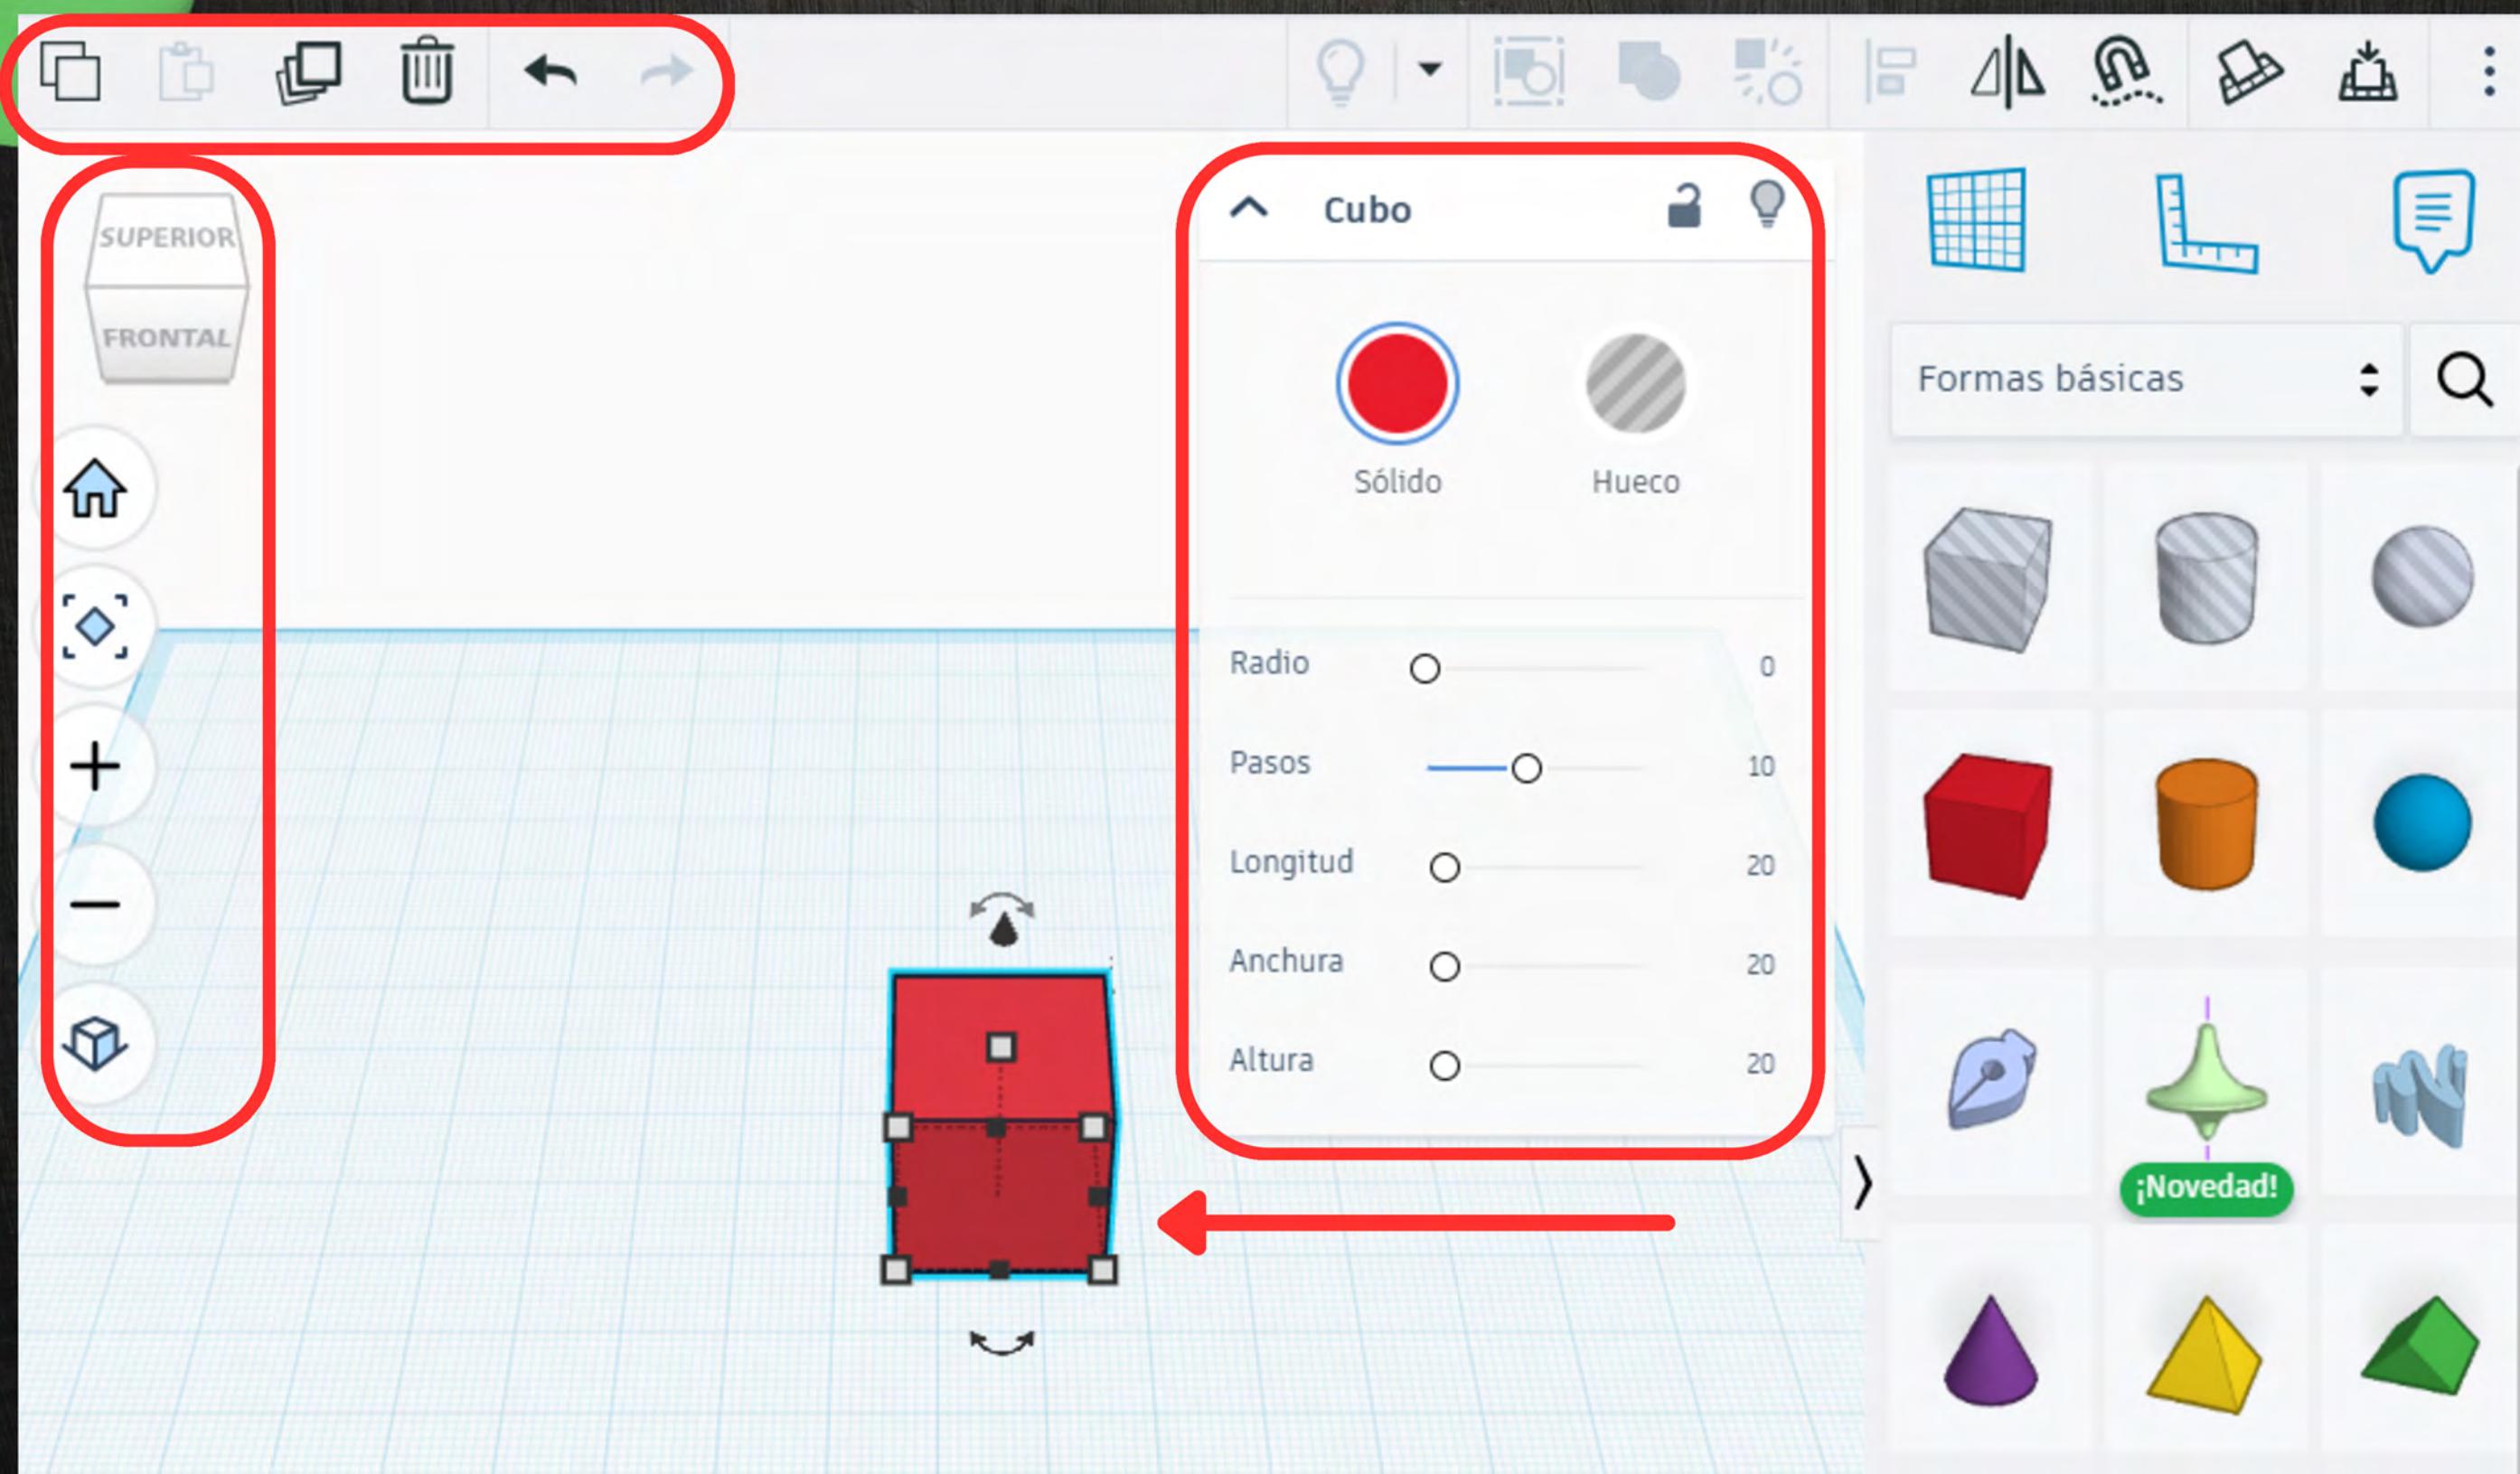

The screenshot shows the Tinkercad homepage. On the left, there's a sidebar with navigation links: Inicio (highlighted with a blue border), Clases, Diseños, Colecciones, Aprendizajes, and Desafíos. Below these, there's a section for Alumne 1 with three small icons and a "Ver distintivos" link. The main content area features a "Spinning Top Challenge" with an image of a blue and purple top and a "Enter now" button. To the right of this is a large "Diseños 3D" section with a red box around it. Inside this box is a button labeled "+ Crea tu primer diseño 3D". Below this are three sub-options: "Place It" (with a 3D cube icon), "View It" (with a red cube labeled TOP, FRONT, RIGHT), and "Move It" (with a 3D cube on a grid). Further down is a "Circuitos" section with a green box around its button "+ Crea tu primer diseño de circuitos". Below this are three sub-options: "Start Simulating" (with a circuit diagram), "Editing Components" (with a component editor interface), and "Wiring Components" (with a breadboard diagram). At the bottom right of the page is a "+ Crear" button, also highlighted with a red circle.
